

# OMEN by HP Sequencer Keyboard

Switch to optical. Strike faster.

Maneuver at the speed of light and gain an edge over your competition with industry-leading optical-mechanical switch technology. Built for gamers, with customization and durability in mind.

## Speed you can feel

Optical-mechanical Blue switches enable a 0.2 ms response time—10 times faster than traditional mechanical switches—plus a 70 million click lifetime.<sup>1</sup>

## Cast your perfect aura

Individually backlit keys offer up to 16.8 million RGB colors to choose from with unique effects, all customizable from OMEN Command Center.

---

## Featuring

**Customizable keys:**

Gain an edge by customizing 5 dedicated macro keys to your go-to moves.

**Lightweight. Heavyweight.**

Feel the durability in the lightweight, anodized aluminum frame.

**Control every element:**

Take control of your media with dedicated keys for play, pause, skip, and mute, as well as an oversized metal roller bar to adjust volume.

**Cable manager:**

Efficiently manage your cables and enjoy maximum convenience with a built-in USB port.

**Concentrate on the win:**

Gaming mode blocks interruptions from your system so you can focus on victory.

**Keys you can rely on:**

No matter how many keys are activated at once, every key press is detected with true n-key rollover and 100% anti-ghosting.

**Powered by OMEN Command Center:**

Lead the way to victory from OMEN Command Center, which gives you full control over your OMEN lineup. Customize lighting, performance and button functionality—the power is yours.
