It comes with 4 buttons, including a handy DPI switch to adjust the speed of your cursor, a USB micro-receiver that's easily stored within the mouse itself, and a rechargeable battery. You'll never worry about batteries again.

### Charge It Up

The Zaya Wireless Mouse has a built-in rechargeable battery, which means you can completely forget about buying any more batteries. Use the included USB-C cable to charge it up. It doesn't just save you money, it's great for the environment too.
