HP Retail Integrated 2x20 Display Complex

G7G29AA

Introduction

Give customers a clear view of pricing and product information at the point-of-sale with the HP Retail Integrated 2x20 Display. Select from the complex or non-complex versions for your specific installation. Then, simply connect the display to an HP L6015tm or L6017tm display, or HP RP2 or RP7 Retail System through the USB bezel connector that powers the customer-facing display (CFD) and eliminates the need for additional cabling.

Key Benefits

- Add a bright, clear CFD display to your Point of Sale solution.
- Complex and non-complex models available.
- Easy cable-free connectivity to HP RP2/RP7 Retail Systems or HP L6015/6017tm displays via the USB bezel connector.

Overview

- Delivers easy-to-read pricing, product, and order information to your customers.
- Edge-to-edge, bezel-less design that is easy to clean and dust-resistant.
- Durable design for a range of high-traffic areas.

Compatibility

The HP Retail Integrated 2x20 Display is compatible with the top USB port on the display of the following systems and monitors:

- HP RP2 Retail Systems, Model 2000 and 2030
- HP RP7 Retail Systems, Model 7100 and 7800
- HP L6015tm and HP L6017tm Retail Touch monitors

NOTE: Not all HP Retail system models are available in all regions.

Service and Support

Your HP Peripheral Limited Warranty is a three (3) year (HP Option Limited Warranty Period) parts replacement warranty. Additional HP Care Pack Services options are available to extend warranty coverage.
