Overview

Models

HP L7014 14-in Retail Monitor T6N31AA

Introduction

Complete your retail solution with the HP L7014 Monitor, a modern, virtually borderless widescreen display that delivers easily readable transaction data to customers and associates. Use it as a customer-facing display with your HP RP9, or as a standalone display with any HP Retail System.

Key Benefits

- Wide aspect for a wide range of apps: 14-inch diagonal, 16:9 aspect ratio, high-resolution display, optimized for the latest retail and hospitality software.
- Durability for high-traffic areas with a VESA mount¹ that enables use as a customer-facing display or as a standalone display on a stand or wall.
- Narrow, bezel glass dust-resistant and easy to clean.

Compatibility

The HP L7014t 14-in Retail Monitor is recommended to work with HP RP9, HP RP5, HP RP5800 systems, HP Desktop Mini, and HP Desktops.

NOTE: Not all HP Retail system models are available in all regions.

Service and Support

Your HP Peripheral Limited Warranty is a three (3) year advanced exchange parts replacement warranty.
