1. 螺丝刀

### MSI Warranty Procedures and Conditions

This is only valid for Australia.

The terms and conditions of MSI's warranty described herein apply to the products set forth by the Australian Consumer Law (ACL). In addition to the applicable provisions under the Australian Consumer Law (ACL), our goods come with guarantees that cannot be excluded under the Australian Consumer Law (ACL). You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality for a longer period.

**(1) Determination of the warranty period.**

The warranty period starts from the date you purchase the product with valid invoice. If the date of the warranty period is a holiday or public holiday, the day following that day is the day of the warranty period.

**(2) Customer-Initiated Defect (CID)**

If the problem or symptom described with improper usage defined as Customer-Initiated Defect (CID), shall not be accounted in warranty claim of the product set. MSI reserves the right to determine whether the products are operated within the scope of proper usage.

**(3) Limited Warranty**

The software not provided is not covered under the Product's warranty. MSI assumes no responsibility for any damage or loss caused by the customer used any not provided software or hardware.

**(4) Screen the problems by self-checking**

Please first review the User's Manual and contents of the Software CD included with the Product. The User's Manual and Software CD provided by MSI contain a lot of information about product use. The manual will compose from user's perspective can assist many of your questions.

**(5) MSI Website**

MSI Website for Australia: MSI lists a group of authorized resellers with profession and knowledge. You may contact a reseller about the problem you encounter or MSI categorized discussion forum, and our engineers will try their best to answer your question or provide responsible loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality for a longer period.

**(6) Seek support from the original source of purchase**

If you cannot seek any solution for the problem set of the above methods, you may seek support from the original source of purchase, because the original date of purchase should not less than your system configuration and specifications, and can provide you with any necessary resource and advice.

**(7) Bring the Product to the original source of purchase**

If your product has been determined by the MSI engineer or store as problematic or defective in hardware, and have your need for repair, you may bring your product for repair or replacement to the original date of purchase to send the product for repair or replacement to your reseller or distributor. The date of purchase is the date when the product was sent for repair, to avoid further damage in the course of shipping.

**(8) Warranty receipt**

If you cannot seek any solution for the problem set of the above methods, you may seek support from the original source of purchase, because the original date of purchase should not less than your system configuration and specifications, and can provide you with any necessary resource and advice.

**(9) Contact**

Please first review the User's Manual and contents of the Software CD included with the Product. The User's Manual and Software CD provided by MSI contain a lot of information about product use. The manual will compose from user's perspective can assist many of your questions.
