Highlights

Get your sounds on

These wired over-ear headphones let you listen in comfort for as long as you like. Powerful 40 mm drivers give you crisp, clear sound. The over-ear fit ensures good passive noise isolation, and others won't hear what you're listening to.

All-day ease

The cushioned adjustable headband fits any head, and the soft ear-cup cushions are great for long listening sessions. There's no battery, so no limit to your play time. Ideal when you're binging on the latest podcasts.

Plug in to devices

The 2 m headphone cable is perfect for connecting to a laptop or tablet. If you are on the go, this cable lets you keep your device safely stowed in a bag or pocket while you listen hands-free.
