Impressive Sound

Exquisite Design

Memory Metal Cable

Flexible and skin-friendly cable made from nickel-titanium alloy and liquid silicone, making it tangle-free and comfortable.

Exquisite Design, Premium Quality

28° ergonomic in-ear earbuds decorated with aluminum alloy CD texture shining on its back.

Battery and control are placed on both sides to make it symmetrical and balanced.

Anodized aluminum alloy cavity with hidden mic and indicator makes it smooth, stylish and durable.

IPX5 Water & Sweat Resistant
