Compaq Armada Memory

32 MB – 400311-B21

64 MB – 400312-B21

128 MB – 400313-B21

256 MB – 161554-B21

OVERVIEW

There are several options available with expandable memory.

Memory chips range from 32MB to 256MB.

PERFORMANCE

Increased memory allows the PC to process information more rapidly, thus allowing more efficiency and productivity.

KEY BENEFITS

- Increased memory results in increased speed from the PC.
- More applications can be open simultaneously without sacrificing performance.

COMPATIBILITY

Compaq's Armada Memory options are compatible across Armada notebooks.

SERVICE AND SUPPORT

The warranty period for Compaq Armada memory options is one year, parts and labor, or the remaining warranty period of the notebook/docking station the drive is installed, whichever warranty period is longer. Additional support is available seven days a week, 24 hours a day by phone, as well as through online support forums.

Note: [Certain restrictions and exclusions apply.](#)
