QL-700

Versatile Label & Postage Printer Helps You Work Smarter

Key Features

- Create cost-effective paper labels for packages, envelopes file folders, CDs/DVDs, banners, postage and more

- Ultra-fast printing up to 93 labels per minute‡

- Uses continuous paper and tape rolls for banners and signs up to 3 ft. long

- The Label Collection feature provides eye-catching, pre-designed labels and banners with commonly-used text^

- Auto cutter provides precise cuts for printing 1 or multiple custom-sized labels at a time

- High-resolution printing (up to 300 x 600 dpi), for crisp text and graphics

- Plug & Label feature lets you type and print labels without installing software^

- Export text directly from common applications such as Microsoft® Word®, Excel®, and Outlook® to create labels without retyping

- Connects via USB to your PC or Mac▢

Print Postage right from your Desktop†

With the new Brother™ QL-700 and pbSmartPostage™, you can print the postage you need, when you need it, anytime.

Save trips to the Post Office to buy stamps. No software to download. It couldn't be easier.
