SAFE SCREEN USAGE

With COVID-19, the need has arisen to create safe workplaces where we need to be at safe distance from another, in order to lower possibility of infection. Whether you are working behind a counter, in an open office or a duo workspace, our hygienic screens offer a safe solution everywhere. The R-Go Hygienic Safety Screen will not only help you enforce social distancing guidelines, but it will also create an overall cleaner and safer environment.

CUSTOMIZE YOUR MONITOR ARM SETUP

Our Hygienic Safety Screens are modularly designed and fit with our R-Go Caparo 4 and Zepher 4 monitor arms. Build your own setup with separate modules to create an ergonomic and safe workplace in any situation.
