

19-inch diagonal widescreen LCD monitor with an IWC Stand for simple PC and monitor configurations

HP L1908wi Flat Panel Monitor

The HP L1908wi 19-inch Widescreen LCD Monitor offers a unique, modular approach that combines the superior front of screen performance of a wideformat large-screen LCD monitor with the convenience of a stand designed to house an HP Compaq dc7800 Ultra-slim Desktop PC or HP Thin Client for a compact configuration that makes more efficient use of space-constrained environments.

Improved technology

This monitor features many of the latest flat panel technologies available, including: widescreen 1440 x 900 resolution; substantial brightness (up to 300 cd/m²)¹; high contrast ratio (up to 800:1)¹; improved response times (as fast as 5 ms)¹; wide viewing angles that enable comfortable viewing from anywhere in the room; a full range of tilt, swivel, and height-adjustment settings to help you find a comfortable viewing position

Smart software

HP Display LiteSaver allows Sleep mode scheduling at preset times to help protect against image retention and lower power consumption and energy costs. HP Display Assistant enables monitor adjustment and color calibration through the connected PC.

Exclusive design

The HP L1908wi monitor includes the HP Quick Release and the HP Compaq dc7800 Series Integrated Work Center (IWC) Stand designed for the full-featured HP Compaq dc7800 USDT PC and HP Thin Clients (sold separately). The monitor helps simplify placement of PC/thin client and monitor solutions in space-constrained and public-traffic areas, including: retail POS/kiosks; mainstream office/cubicles; financial/trading environments; healthcare/laboratories. The built-in IWC Stand stores the PC or thin client securely and out of the way behind the monitor. The convenient cable management solution keeps all of the PC cables together and hidden from view.

Service and support

The HP L1908wi monitor comes with a three-year limited warranty, which makes them easy for IT departments to purchase, install, and maintain. The HP warranty is supported by 65,000 IT service and support professionals in 160 countries around the world.
