## Stereo Gaming Headset

### Articulated Boom Microphone

Whether you talk while gaming or want to call a friend, the integrated boom microphone ensures that your counterpart understands you clearly.

### Strong Bass and Crisp Treble

Sturdy sound with powerful bass and crisp highs via 40 mm neodymium drivers.

### High Comfort for Non-Stop Gaming Action

Optimal fitting through smooth, excellent sound sealing earpads and soft leatherette headband.

### Total Flexibility for Unrestricted Gaming

The 1.2 m cable with TRRS connector allows gaming on tablets, smartphones, laptops, Xbox and Playstation (connected to the wireless controller) and the 2 m extension cord with 2 x 3.5 mm jack offers total flexibility on your gaming PC.

### Stable Carrying Case

So that your headphones reach your next LAN party without damage, your P533 comes in a stable carrying case.
