i-tec Thunderbolt 3 Travel Dock Dual 4K Display with Power Delivery 60W + i-tec Universal Charger 77 W

i-tec Thunderbolt 3 Travel Dock Dual 4K Display with Power Delivery 60W + i-tec Universal Charger 77 W

PRODUCT DESCRIPTION

A docking station that combines a compact size with extreme performance, powered by Thunderbolt 3 technology. Although the minimal size and light weight of this docking station makes it especially designed for on-the-go use, there is no compromise on performance! Video up to 8K or 2x 4K resolution, which is supported in both Windows 10 and macOS environments. It is also the first dock built on Thunderbolt 3 technology and designed primarily for professionals on the go, supporting laptop charging via USB-C (TB3) port, up to 60W*. This means you'll be able to charge, albeit at a slightly slower rate, all laptops that require up to 100W of charging power (including, for example, a 16" MacBook Pro). Of course, there's also an integrated network port for LAN connectivity, USB ports (one of which offers speeds of up to 10 Gbps) and audio and microphone support.

The docking station can be purchased in two variants:

- **1. without the included USB-C charging adapter (product code [TB3TRAVELDOCKPD](#))**
- **2. with the included 77W or 65W USB-C PD adapter (this variant)**

- Connect up to two 4K external monitors, or one at 8K/30Hz resolution
- Power delivery: up to 60W
- DisplayPort and HDMI ports available
- 1x USB 3.1 Gen 2 (10Gbps) and 1x USB 2.0 allow you to easily connect your USB devices and peripherals
- Gigabit Ethernet RJ-45 provides reliable, robust and high-speed internet connectivity with support for 10/100/1000 Mbps speeds
- Combination jack for audio and microphone
- Supports Windows 10, macOS X
- Note: Power supply is included.

PRODUCT FEATURES

DOCKING STATION

- 1x integrated Thunderbolt™ 3 cable for connecting to a device (18 cm)
- Docking station technology: Thunderbolt™ 3
- Power Delivery: 60W
    - Internal power consumption: 15W (more info here)
- Video ports:
    - 1x Display Port
    - 1x HDMI
- Resolution:
    - DP 1.2 HBR2:
        - 1 monitor – 1x DP → up to 4K/60 Hz
        - 1 monitor – 1x HDMI → up to 4K/60 Hz
        - 2 monitors – 1x HDMI + 1x DP → up to 2x 4K/60
- DP 1.4 HBR3:

    - 1 monitor – 1x DP → up to 8K/30 Hz*
    - 1 monitor – 1x HDMI → up to 4K/60 Hz
    - 2 monitors – 1x HDMI + 1x DP → up to 2x 4K/60 Hz
- 1x USB-C PD port (power delivery only)
- 1x USB 3.1 Gen 2 port (10 Gbps)
- 1x USB 2.0 port
- 1x Ethernet GLAN RJ-45 port (Realtek RTL8153)
- 1x 3.5 mm combo audio jack
- Integrated USB-C cable (18 cm)
- OS: Windows 10/11, macOS X (Sierra and later), Linux with latest updates
- Product dimensions: 100 x 100 x 28 mm
- Product weight: 210 g
- Package dimensions: 133 x 165 x 38 mm
- Package weight: 300 g

*8K resolution must be supported by the connected laptop or tablet.   CHARGER

- Input voltage AC 100-240 V, 50-60 Hz
- Output power (max.): 77 W
- USB-C output voltage: DC 5 V / 9 V / 12 V / 15 V / 20 V
- USB-C output current: max. 3.25 A
- USB-C PD output power (max): 65W
- USB-A output voltage: DC 5V
- USB-A output current: max. 2.4 A
- USB-A output power (max): 12W
- Protection against: Current overload, overvoltage, short circuit and overheating.
- Operating temperature: 0°C – 40°C
- Product dimensions: 130 x 55 x 20 mm
- Product weight: 275 g
- Package dimensions: 135 x 160 x 50 mm
- Package weight: 370 g

Hardware requirements:

- Devices with Thunderbolt 3/4 port

Power Delivery Requirements:

- Devices with a free Thunderbolt 3/4 port with "Power Delivery" support

Video Output Requirements:

- Devices with a free Thunderbolt 3/4 port

Operating System:

- Windows 10/11, macOS X (Sierra and above), Linux with latest updates
