

EDUCATION HEADSETS

Logitech products are built for students to enhance learning everyday

- Durable & safe
- Simple & intuitive
- Enables independent learning

CLEANABLE & REPLACEABLE EARPADS

Simply wipe the earpad with a wet tissue, anti-bacterial tissue and alcohol. We sell the earpad in pack of 10 as spare parts.

VOLUME LIMIT

Protect kids' vulnerable hearing with max of 85dB sound level which is recommended by health authorities.

CABLE

Durable and shorter cable (1.3 m) is purposed to fit kids' usage.

Without controls, kids would not accidentally adjust volume and be on mute.

TPE material is Non-PVC and eco-friendly that helps kids to keep a distance from toxics.

STORAGE

Upcycled shipping box will be the convenient and smart storage solution. The storage box is 14"x14"x3.5" and holds 5 headsets. By labelling each kid's name on the box, it tidies the classroom up.

WARRANTY

2-year Limited hardware warranty.

WIRED USB HEADSET

WIRED 3.5MM HEADSET

Made of Non-PVC material: safer for students
